Summer 2006 Individual Player Registration Due May 8, 2006

Before You Register....

Please read the following information before completing the registration form of Page 2.

Player Fees Individual fees for 2006 are \$50 including GST for Friday nights, \$75 including GST for Monday to Thursday nights. Fee is payable upon registration and will be refunded if you are not offered a spot. Cheques should be made payable to "OCUA" or "Ottawa-Carlton Ultimate Association".

Members' acceptance of risk of injury While the sport of Ultimate is understood to be a non-contact sport, this does not mean that contact does not occur. Ultimate is a fast paced, athletic sport, and as such has all of the attendant risks that are commonly associated with such an activity. While all players are expected to adhere to the spirit of sportsmanship as outlined in the rules of the sport, it is not possible to absolutely ensure that contact between players will not occur, and that injuries will not be sustained. Members are reminded that they engage in the sport entirely at their own risk.

Captain's and Assistant Captain's Responsibility for safe playing conditions. Given that OCUA offers the sport of ultimate at varied and dispersed locations, and does not have officials such as referees at the games, it falls to the team captains and assistant captains to be responsible for the safety of the site at which they are playing and for the well being of their players. Captains are responsible to examine the field of play before their game begins, to determine if it is safe. They are ultimately responsible for the actions of their players and must be prepared to take appropriate action if they feel that safety is being compromised. This includes refusing to play on a site they deem to be potentially hazardous, or against an opponent they feel is playing in an unsafe fashion. OCUA never forces its members to play when they are not comfortable doing so; games can easily be rescheduled.

OCUA Member Number If you have not already done so, you will need to create an account on Leaguerunner, OCUA's league-management system. Go to <http://www.ocua.ca/leaguerunner/> and follow the instructions. Once your account has been created, you will be given a permanent OCUA member identification number.

Coaching The Association will provide coaches to *Friday* teams who are made up of individual entries. The intent of the Friday division is to teach teams not only the basic skills, but to also getting in the Spirit frame of mind. Coaches will not be provided for Monday to Thursday teams but players are encouraged to take advantage of skills clinics as they are offered. Spirit is the core tenet of Ultimate and is about playing the game by the rules, playing fair and having fun.

Pay before you play! Please note that OCUA has adopted a pay before you play policy. This means that if your method of payment is not honoured, you will not be considered as having submitted a valid application and will not be granted a spot. All forms must be in the Association's mail box or postmarked no later than May 8th to be accepted.

Please direct any inquiries to the league operations coordinator, Glenda Smith, loc@ocua.ca
