Want to take your game up a notch? Think you've got the sportsmanship to be your own ref? Want to get a little variety this summer? Want to meet great people and have good times? Ottawa, with the largest ultimate league in the world, also offers a city-wide youth division. Locally-based co-ed teams of players aged 12 to 17 will compete in weekly games, followed by one-day playoffs. If you have played ultimate at school, or tried it in the park with friends, then we want you to join us and play for your 'home team'. Don't know much about this fast-paced, non-contact, co-ed sport but want to give it a try, then sign up now!
