Before You Register....

Please read the following information before completing the registration form of Page 2.

Team Fees

Per-team fees for 2008 are \$1150 plus GST (\$1207.50) for Monday to Thursday and \$950 plus GST (\$997.50) for Fridays. A non-refundable deposit of \$200 must accompany the registration form, the balance to be paid at or before the Captains' Meeting. Cheques should be made payable to "OCUA" or "Ottawa-Carleton Ultimate Association".

Captain's Meeting

Tuesday, April 22nd, 2008 in Salon A at Lansdowne Park. Parking is free at Lansdowne for this event. Attendance by captains or designates is mandatory. More details will be published on the website.

Captain's and Assistant Captain's Responsibility for safe playing conditions.

Given that OCUA offers the sport of ultimate at varied and dispersed locations, and does not have officials such as referees at the games, it falls to the team captains and assistant captains to be responsible for the safety of the site at which they are playing and for the well-being of their players. Captains are responsible to examine the field of play before their game begins to determine if it is safe. They are ultimately responsible for the actions of their players and must be prepared to take appropriate action if they feel that safety is being compromised. This includes refusing to play on a site they deem to be potentially hazardous, or against an opponent they feel is playing in an unsafe fashion. OCUA never forces its members to play when they are not comfortable doing so; games can easily be rescheduled.

2008 Team Name/Old Team Name

Fill in the name of your team for the 2008 summer season. If you are a returning team from the 2007 summer season, please fill in your team name from that year under "**Old Team Name**". Please note that any question over the status of a team, (new versus returning), will be determined by consulting the 2007 records for the team name and captain's name. Under current OCUA policy, all team spots are the property of the Captains. To transfer this right the former Captain must make OCUA aware of the change.

Leaguerunner

In Leaguerunner, returning teams should re-use the team from last year regardless of name or captain changes. Help on how to update the teams can be found within Leaguerunner and in the OCUA FAQ pages.

Captain's & 2nd Contact Information

You will note that most of this information is mandatory. Notification, (offers of league vacancies, problems, etc.), will be made using this information, primarily through e-mail as well as Ultimate Happenings and the OCUA web site. Please keep OCUA informed of any changes to this information! Wherever possible, try to get last year's captain to fill out the form. It will help avoid any confusion on OCUA's part. Contact information/Team Names can always be changed at a later date. As returning teams have different privileges than new teams, please ensure that we can tell the difference between a returning team with a new name and a new captain and a brand new team to OCUA summer league.

2008 Preferences

Returning teams have certain privileges when it comes to their historic night of play. These privileges only apply to that night of play and as such if you pick your traditional night, your team will be given priority for spots based on a first received, first placed basis with respect to this document. If you wish to change nights, then fill out the form to keep your returning spot, but under the Preferences section please note your team's desire to change nights, and the night. If another returning team from the night you wish to transfer to wishes to move to your night, then a switch will be arranged, otherwise you may have to join a waiting list. Priority for openings on Monday-Thursday nights will go to the Friday teams, and then on a first in, first placed basis.

Pay before you play!

Please note that OCUA has a pay before you play policy. This means that if your method of payment is not honoured or if a member of your team has outstanding fees due to the Association, you will not be considered as having submitted a valid application and will not be granted a spot
