Winter 2009-10 YOUTH AND JUNIOR Player Registration Form

Acceptance Based on Available Spots and is Granted on a First Come Basis

Early Registration is Advised

Before You Register...

Please read the following information before completing the registration form on Page 2. For a full description of registration options, please refer to www.ocua.ca/Youth&Junior_Winter.

Youth

Children aged 9-13 years should register for Youth. This Saturday morning program will focus on skill development and learning the exciting game of Ultimate. Eight weekly sessions will be at Ben Franklin Dome (Knoxdale Rd & Hunt Club Rd) 9am-10am starting January 9, 2010 and ending February 27, 2010.

Junior

Teens aged 14-18 years can choose between Recreational and Competitive streams. These Thursday evening programs will be held at Carleton Field House 7pm-8:15pm starting November 5, 2009 and ending March 18, 2010.

- **Recreational stream:** For players who want to develop skills and just play for fun.
- **Competitive stream:** For players who want to develop their game to the next level with a possibility of playing competitive ultimate in the future. The focus is still on having fun but players must be motivated to work hard.

Please note: For the Junior Competitive stream, coaches will be assessing the skills and abilities of the players over the first 2 weeks and reserve the right to move players between programs as they see fit.

Player Fees

The individual player fee for Youth is \$105.00 (including GST) and for Junior is \$160.00 (including GST). Fees are payable upon registration and cheques will be cashed when registration is confirmed. Cheques should be made payable to OCUA or Ottawa-Carleton Ultimate Association.

Acceptance of Risk of Injury

While the sport of Ultimate is a non-contact sport, this does not mean that contact will never occur. Ultimate is a fast-paced, athletic sport and as such has all the attendant risks that are commonly associated with such an activity. While all players are expected to adhere to the spirit of sportsmanship as outlined in the rules of the sport, it is not possible to absolutely ensure that contact between players will not occur, and that injuries will not be sustained. Members are reminded that they engage in the sport entirely at their own risk. Parents or guardians of youth and junior players are required to sign the parental consent provided on page 2 of the registration form.

OCUA Member Number

All registered players must have an OCUA member account number. New members need to create a Leaguerunner account on OCUA's league-management system. Go to <http://www.ocua.ca/leaguerunner/> and follow the instructions. If you are a parent creating an account for your child, please enter the child's first and last name (rather than your own) so that we can find your child's name in Leaguerunner and assign them to their team. Once your member account has been created, you will be given a permanent OCUA member number.

PAY Before You Play

OCUA has a pay before you play policy. Fees must be paid in full before play an individual can commence play.

Refund Policy

A \$25 administration fee will be charged on all cancellations up to 3 weeks before programs commence. After this time, no refunds are provided. OCUA reserves the right to ask any player to leave. If requested to leave, prorated fees less the \$25 administration fee may be provided at the discretion of OCUA. Under no other circumstances will refunds be provided.

Please direct inquiries to registrar@ocua.ca.
